

BUTTE COLLEGE

COURSE OUTLINE

I. CATALOG DESCRIPTION

BCIS 97 - Special Problems-BCIS

1 - 3 Unit(s)

Prerequisite(s): Permission of instructor

Recommended Prep: NONE

Transfer Status: CSU

Supervised study and practice in solving special problems in the student's career major. Any student interested in registering for a Special Problems course should contact a full-time instructor or chair/coordinator in the appropriate area no later than the last day of the tenth week of instruction. 51–153 hours Independent Study. Students may enroll in this course up to 3 unit(s) to complete the entire curriculum of the course.

II. OBJECTIVES

Upon successful completion of this course, the student will be able to:

- A. Develop a set of research notes based on personal observations, readings, discussions and media presentations. Notes must be orderly, legible and meaningful for future reference, and include analytical questions.
- B. Produce a summary research report with supporting notes that is orderly, legible and meaningful for future reference; including an index and bibliography.
- C. Draw from their notes sufficient data as to be able to write a logically ordered analytical essay of at least 1,500 words in a proper research-paper form, on a chosen topic that is pertinent to the special study theme.
