Editing a PLO In Database

- 1) Navigate to the following website *remotemysql.com* and left-click log in. This is our remote database where the slo-scrafer dumps all the information it collects.

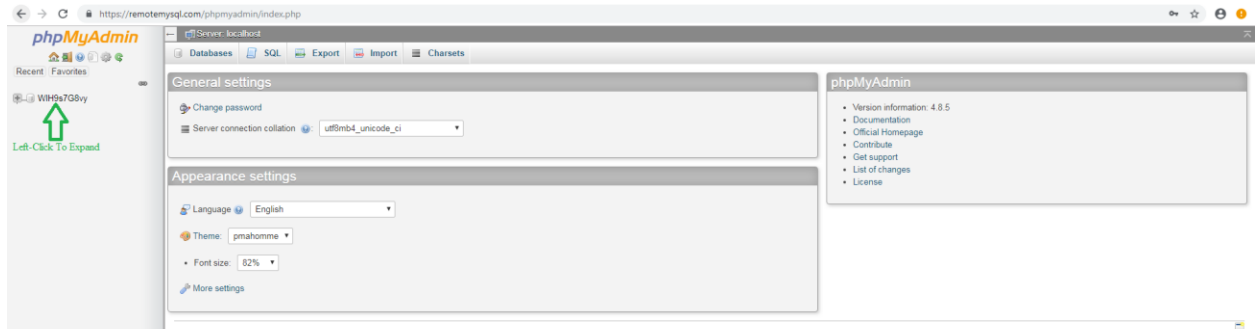

- 2) Enter the username *WIH9s7G8vy* and password *uH0YWN3msY* then click “go”.

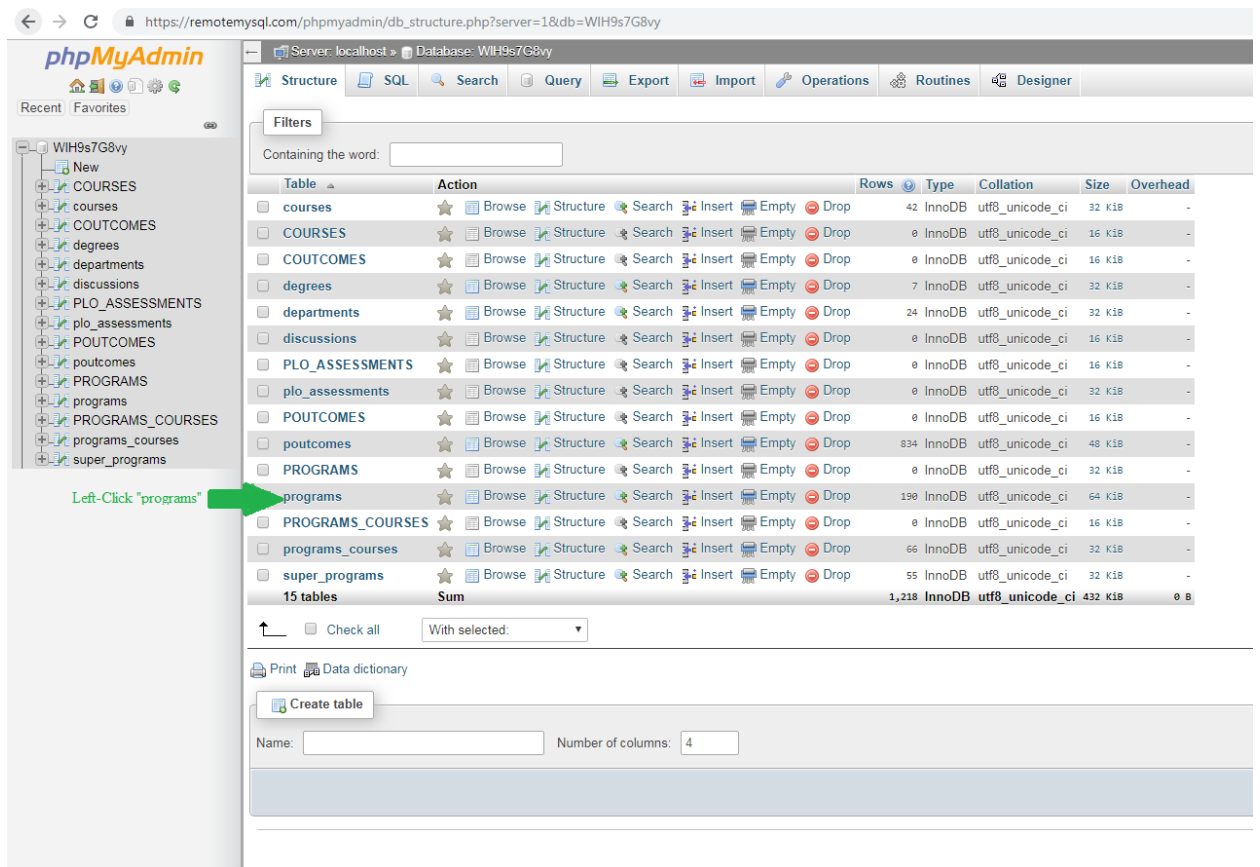

Administration of the database is handled through phpMyAdmin.

- 3) Left-click *WIH9s7G8vy* located on the left sidebar. This is the name of our database. It holds various, specific tables generated by slo-scraper.

- 4) Left-Click "programs". This is the table that holds information regarding the description of learning outcomes in all scraped programs.

5) Left-click “Edit” on the desired program.

Showing rows 0 - 24 (190 total. Query took 0.0004 seconds.)
