

BUTTE COLLEGE

COURSE OUTLINE

I. CATALOG DESCRIPTION

FSC 203Z - Fire and Safety Training Orientation

1.1 Unit(s)

Prerequisite(s): NONE

Recommended Prep: NONE

Transfer Status: NT

8 hours Lecture

32 hours Lab

This course will cover Basic Fire Suppression tactics and Rescue skills. Its focus will be on creating a diverse and non-threatening learning environment for the education of youth in safety, rescue and emergency activities. Pass/No Pass Only.

II. OBJECTIVES

Upon successful completion of this course, the student will be able to:

- A. Demonstrate safe and effective procedures in the use of all assigned tools and equipment.
- B. Follow safety procedures for all fire suppression and rescue tactics.
- C. Exhibit good crew interactions.
- D. Demonstrate good team support.
- E. Demonstrate enhanced leadership skills.
- F. Demonstrate positive communication skills

III. COURSE CONTENT

A. General Goals

1. The course will provide the student with the knowledge and skills necessary to recognize and apply appropriate safety procedures, demonstrate use of fire suppression equipment, learn basic law enforcement techniques, achieve CPR certification and perform basic duties as an organized crew member. It will provide empowerment and confidence for students through team building. In addition, it will enhance strong leadership, role modeling and encourage mentoring. Skills and proficiency will support a sound work ethic and broaden problem solving abilities. Students will develop an understanding of team support and cohesive work environment.
